10:122C-1.2 Scope

(a) A resource family parent who is subject to the provisions of this chapter shall include any person with whom a child in the care, custody or guardianship of the Department is placed for resource family care, and any person with whom a child is placed by the Division for the purpose of adoption until said adoption is finalized.

(b) The resource family parent shall secure approval from the Department, or from an agency under contract with the Department, to provide one or more of the following services:

The Division shall begin the home study immediately after approving the application. If the application is denied, the Division shall identify an appropriate alternative placement for the child.

10:122C-2.2 Issuance of a license

(a) The Office of Licensing shall issue a license to an applicant who has achieved full compliance with all applicable level I requirements and substantial or full compliance with all applicable level II requirements.

(b) The Office of Licensing may grant a waiver of a level II requirement for a resource family parent or applicant providing kinship care, as specified in N.J.A.C. 10:122C-1.2(b)3.

1. Requests for waivers shall be made to the Office of Licensing in writing by the Division or contract agency representative, with supporting information justifying the request.

2. Waivers shall be considered on a case-by-case basis, only for non-safety standards for a specific child or children in placement. For the purpose of determining whether a waiver will be granted, level II requirements shall be considered non-safety standards.

3. A waiver may be granted at the discretion of the Office of Licensing upon consideration of the following criteria:

i. The type or degree of hardship that would result to the resource family parent or applicant if the waiver were not granted;

ii. The negative impact on a specific child or children in placement if the waiver were not granted; and

iii. Whether the waiver, if granted, would adversely affect the health, safety, well-being or rights of any child residing in the resource family home.

4. The Office of Licensing shall determine the terms and conditions for granting each specific waiver.

5. If a waiver is granted, the resource family parent or applicant shall comply with the terms and conditions of the waiver.

(c) The Office of Licensing shall notify the applicant and the appropriate Division office or contract agency of the decision on licensure.

(d) The Office of Licensing shall notify the appropriate Division office or contract agency of the decision on waivers, if applicable.

(e) If the Office of Licensing determines that the applicant is in full compliance with all applicable level I requirements and in substantial compliance with, but does not meet all applicable level II requirements, and there is no serious or imminent hazard to the rights, education, health, safety, well-being or treatment needs of a child who is or may be placed in the home, the Office shall issue a license to the applicant and indicate in writing the steps the applicant must take to correct the areas not in compliance.

(f) If a license cannot be issued because there is a serious or

imminent hazard to the rights, education, health, safety, well-being or treatment needs of a child who is or may be placed in the home, the Office of Licensing shall provide written notification to the applicant indicating the steps, if any, the applicant must take to secure a license.

(g) The license shall apply to the resource family parent at the home in which the resource family resides at the time of the application.

1. No more than one license shall be issued to a single residence.

2. The license shall be issued to one or more specific persons for a specific residence.

3. The license shall not be transferable, except as specified in (h) below.

(h) If the resource family changes residence, the Office of Licensing representative shall inspect the new residence to determine whether it is in compliance with the applicable provisions of this chapter. The resource family parent shall provide notice of a change of residence at least 30 days in advance of the move.

(i) Each licensing period shall be three years.

1. In determining the expiration date of the license, the Office of Licensing shall compute the three-year licensing period from the date of issuance of the first license.

2. In determining the expiration date of a renewed license, the Office of Licensing shall compute the three-year licensing period from the date on which the previous license expired. If, however, the home has ceased to operate for a period of one year or more following the expiration date of its previous license, the Office

shall compute the date of the expiration from the date of issuance of a new license.

(j) The resource family parent shall maintain the license on file at the home.

(k) The resource family parent or applicant shall not make claims either in advertising or in any written or verbal announcement or presentation contrary to the licensing status of the resource family parent or applicant.

10:122C-2.3 Annual inspection

(a) The resource family parent shall permit and ensure participation in:

1. An annual inspection of the resource family home by the Division or Office of Licensing representative to determine whether the resource family home complies with the applicable provisions of this chapter; and

2. An annual interview with each resource family parent, child in placement and household member by the Division, Office of Licensing or contract agency representative.

10:122C-2.4 Renewal of a license

(a) A resource family parent seeking renewal of a license shall submit a completed Resource Family Parent Home Study/Licensing Application form to the Office of Licensing at least 60 calendar days prior to the expiration of the existing license.

(b) The Office of Licensing shall issue a renewal license to a

10:122C-2.5 Denying, suspending, revoking or refusing to renew a license

resource family parent who is in full compliance with all level I requirements and substantial or full compliance with level II requirements.

(c) For license renewal, the resource family parent shall:

1. Permit and participate in an inspection by the Office of Licensing, as specified in N.J.A.C. 10:122C-2.3;

2. Ensure that he or she and each household member have obtained a physical examination within the last 12 months and submit each medical reference for each resource family parent and household member prior to license renewal;

3. Submit information necessary for a State Criminal History Record Information background check pursuant to N.J.S.A. 30:4C-26.8 for each resource family parent and household member 18 years of age or older, each new adult household member and each household member who reaches 18 years of age, as specified in N.J.A.C. 10:122C-5.4(a)1; and

4. Submit information necessary for a Child Abuse Record Information background check for each resource family parent and household member 18 years of age or older, each new adult household member and each household member who reaches 18 years of age, as specified in N.J.A.C. 10:122C-5.5.

10:122C-2.5 Denying, suspending, revoking or refusing to renew a license

(a) The Office of Licensing shall deny an application or suspend, revoke or refuse to renew a license, as applicable, if the applicant, resource family parent or any household member at least 18 years of age has been convicted of a crime or offense specified in

10:122C-2.5 Denying, suspending, revoking or refusing to renew a license

N.J.S.A. 30:4C-26.8.

(b) The Office of Licensing is authorized to deny an application or suspend, revoke or refuse to renew a license for good cause, including, but not limited to, the following:

1. Failure to comply with the provisions of this chapter;
2. Violation of the terms and conditions of a license;
3. Fraud or misrepresentation in obtaining a license;
4. Refusal to furnish the Department with files, reports or records as required by this chapter;
5. Refusal to permit an authorized representative of the Department to gain admission to the home or to conduct an inspection or investigation;
6. A conviction by the applicant, resource family parent or a household member at least 18 years of age for any crime or offense;
7. A determination by the Department that a report of child abuse or neglect by the applicant, resource family parent or a household member has been substantiated;
8. Any conduct, engaged in or permitted, which adversely affects or presents a serious hazard to the education, health, safety, general well-being or physical, emotional and social development of a child, or which otherwise fails to comply with the standards required for the provision of resource family care to a child and the maintenance of a resource family home;
9. Failure to be in full compliance with one or more

10:122C-2.5 Denying, suspending, revoking or refusing to renew a license

level I requirements;

10. Failure to be in substantial compliance with one or more level II requirements;

11. Failure to abate outstanding violations of level II requirements by the next annual or renewal inspection, whichever comes first; or

12. Failure to comply with the terms and conditions of a waiver granted by the Office of Licensing.

(c) If a resource family parent or applicant fails to comply with the applicable provisions of this chapter, the Office of Licensing shall issue a directive ordering compliance.

(d) Before the decision to deny an application or suspend, revoke or refuse to renew a license becomes effective, the resource family parent or applicant shall have the opportunity to request a hearing to contest the action, as specified in N.J.A.C. 10:122C-2.6(a).

(e) A previous denial of an application or suspension, revocation or refusal to renew a license shall not in itself result in an automatic disqualification of the resource family parent or applicant to secure a license, but shall constitute grounds for the Department to investigate the circumstances that led to the original negative action and to make a determination as to whether to reject or process the new application for a license.

(f) If the Office of Licensing denies an application, or revokes or refuses to renew a license, as specified in (a) and (b) above, the former resource family parent or applicant shall be prohibited from reapplying for a license for one year from the date of the denial, revocation or refusal to renew the license. After the one-year period has elapsed, the former resource family parent or

applicant may submit to the Department or contract agency a new application for a license, if he or she believes that the condition that led the Office to deny the application or revoke or refuse to renew the license is no longer applicable.

(g) If a license is suspended, the Office of Licensing shall issue or reinstate the license once the resource family parent demonstrates that he or she has achieved compliance with the applicable provisions of this chapter. In such a case, the Office shall not require the resource family parent to submit a new application for a license unless reapplication is expressly made a condition of the issuance or reinstatement of the license.

(h) Each license issued by the Office of Licensing to a resource family parent remains the property of the State of New Jersey. If the Office of Licensing suspends or revokes a license, the resource family parent shall return the license to the Office of Licensing immediately.

10:122C-2.6 Administrative hearing

(a) Before denying, suspending, revoking or refusing to renew a license, the Office of Licensing shall give written notice to the resource family parent or applicant personally, or by mail to the last known address of the resource family parent or applicant with return receipt requested. The notice shall:

1. State the reason for the action; and
2. Afford the resource family parent or applicant the opportunity to request a hearing to contest the action, pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1.

(b) As long as the Department determines that children are

not at risk and that no imminent hazard exists, the Office of Licensing may permit a resource family parent whose license has been suspended, revoked or refused for renewal, and who has requested a hearing, as specified in (a) above, to continue to operate the resource family home until a final decision is rendered as a result of the hearing.

10:122C-2.7 Complaints

(a) Whenever the Office of Licensing receives a report questioning the licensing status or compliance of a resource family parent or applicant or alleging a violation of the requirements specified in this chapter, the Office of Licensing shall ensure that the allegation is promptly investigated to determine whether the complaint is confirmed.

(b) Upon completion of the complaint investigation, the Department shall notify the resource family parent or applicant and the Division office or contract agency that has supervision of the resource family home in writing of the results of the investigation, with the exception of any information not permitted to be disclosed pursuant to N.J.S.A. 9:6-8.10a, or any other State or Federal law.

(c) Whenever the Department conducts a complaint investigation, the resource family parent or applicant shall cooperate with all Department investigators.

(d) The Department, during the course of investigating a report of child abuse and neglect, may determine that immediate corrective action is necessary to protect a child whenever:

1. A resource family parent, applicant or household member has been found by the Department to have harmed or to pose a risk of harm to a child;

2. A resource family parent, applicant or household member has committed an act of child abuse or neglect, as substantiated by the Department; or

3. A resource family parent, applicant or household member has been convicted of such acts.
